### House Bills

---

**HB 1388** by Representatives Ruderman, Campbell, Cody, Conway, Edmonds, Edwards, Dickerson and McIntire

Regulating naturopathic physicians.

Establishes regulations for naturopathic physicians.

**-- 2001 REGULAR SESSION --**

Jan 25 First reading, referred to Health Care.

**HB 1389** by Representatives Talcott, Lovick, Armstrong, Haigh, D. Schmidt, Keiser, Woods, McDermott, Clements, Jackley, Marine, Simpson, Jarrett, Ogden, Edmonds, Lantz, Alexander, Carrell, Kagi, Kenney, Quall, O'Brien, Mulliken, Fromhold, Conway, Morell, Sump, Miloscia, McIntire, Esser, Pearson and Kessler

Providing monetary recognition awards for teachers who obtain certification from the national board for professional teaching standards.

Declares that, subject to funding provided for this specific purpose, the superintendent of public instruction may provide the following types of recognition to Washington's public school teachers who have obtained certification from the national board for professional teaching standards:

(1) An eight thousand dollar recognition award to each Washington public school teacher who obtains certification after the 2000-01 school year;

(2) For the duration of the national certification, an eight thousand dollar supplemental contract in any year in which a nationally certified teacher is selected by his or her school district to mentor other teachers while continuing to teach in the classroom.

Requires, by August 1, 2004, and periodically thereafter, the Washington professional educator standards board to review the national board certification standards to determine whether the standards are sufficiently rigorous and aligned to student achievement. The board shall also determine whether additional requirements are needed to ensure that the national standards meet the needs of Washington's students.

Requires, by October 15, 2010, the Washington professional educator standards board to report to the appropriate house of representatives and senate committees on the results and accomplishments of the recognition awards, including the awards' mentoring component. The report may include recommendations for the continuation, modification, or elimination of the awards.

**-- 2001 REGULAR SESSION --**

Jan 25 First reading, referred to Education.

**HB 1390** by Representatives Cody, Pflug, Ogden, Edmonds, Lantz, Linville, Tokuda, Kagi, Kenney, McMorris, Van Luven, Cooper, Dickerson, O'Brien, Hunt, Haigh, Conway, Lovick, Keiser, Casada, Morell, Voloria, Miloscia, Simpson, McIntire, Schual-Berke, Ruderman, Esser, Wood, Santos, McDermott and Kessler; by request of Governor Locke

Continuing health care benefits for individuals with disabilities.

Finds that individuals with disabilities face many barriers and disincentives to employment. Individuals with disabilities are often unable to obtain health insurance that provides the services and supports necessary to allow them to live independently and enter or rejoin the work force.

Finds that there is a compelling public interest in eliminating barriers to work by continuing needed health care coverage for individuals with disabilities who enter and maintain employment.

Declares an intent to strengthen the state's policy of supporting individuals with disabilities in leading fully productive lives by supporting the implementation of the federal ticket to work and work incentives improvement act of 1999, Public Law 106-170. This shall include improving incentives to work by continuing coverage for health care and support services, by seeking federal funding for innovative programs, and by exploring options which provide individuals with disabilities a choice in receiving services needed to obtain and maintain employment.

**-- 2001 REGULAR SESSION --**

Jan 25 First reading, referred to Health Care.

**HB 1391** by Representatives Kessler and Mastin

Overseeing statutory legislative committees.

Declares that the joint legislative audit and review committee, the joint committee on pension policy, the legislative evaluation and accountability program committee, and the joint legislative systems committee are subject to such operational policies, procedures, and oversight as are deemed necessary by the facilities and operations committee of the senate and the executive rules committee of the house of representatives to ensure operational consistency among the agencies of the legislative branch.

**-- 2001 REGULAR SESSION --**

Jan 25 First reading, referred to State Government.

Jan 25 First reading, referred to Financial Institutions & Insurance.

**HB 1394** by Representatives Eickmeyer, Schoesler, Rockefeller, Sump, Jackley, Kessler, Cox and Dunshee

Clarifying the use of county road funds in salmon recovery projects.

Declares that the purpose of this act is to clarify that streambed and stream bank restoration and stabilization activities conducted in conjunction with removal of barriers to fish passage constitute a county road purpose even if this work extends beyond the county right-of-way.

**-- 2001 REGULAR SESSION --**

Jan 25 First reading, referred to Transportation.

**HB 1395** by Representatives Eickmeyer, Buck, Sump, Doumit, Kessler, Jackley, Van Luven, Haigh, Dunn, Murray, Edwards, Veloria, Romero, Hatfield, Pennington, Hunt, Ruderman, Linville, O'Brien, Conway and Santos

Encouraging retention and enhancement of the job base in rural counties.

Finds that in defining its rural element under RCW 36.70A.070(5), a county should foster land use patterns and develop a local vision of rural character that will: Help preserve rural-based economies and traditional rural lifestyles; encourage the economic prosperity of rural residents; foster opportunities for small-scale, rural-based employment and self-employment; permit the operation of rural-based agricultural, commercial, recreational, and tourist businesses that are consistent with existing and planned land use patterns; be compatible with the use of the land by wildlife and for fish and wildlife habitat; foster the private stewardship of the land and preservation of open space; and enhance the rural sense of community and quality of life.

**-- 2001 REGULAR SESSION --**

Jan 25 First reading, referred to Local Government & Housing.

**HB 1396** by Representatives Dickerson, Dunshee, Romero and Kenney

Applying pesticides by aircraft.

Declares that no agency or entity of state government and no unit of local government or agency of such a local government may purchase or otherwise acquire directly or indirectly a pesticide for an aerial application of the pesticide to any part of an incorporated area within this state unless the formula of the product to be used, including both active and inert ingredients, is available for public inspection and the person for whom the pesticide is registered voluntarily agrees to disclose the formula to the public for the purpose of the aerial application.

Requires that the disclosure of information to the public required by this provision shall be made, as a minimum, by providing the formula to any person who requests it.

**-- 2001 REGULAR SESSION --**

Jan 25 First reading, referred to Agriculture & Ecology.

**HB 1397** by Representatives Tokuda, Boldt, Kagi, Benson, Kenney, Cody, Schual-Berke and Santos

Creating the relative caregiver program.

Requires the department to adopt rules to establish and operate the relative caregiver program. The program shall include, but is not limited to, the following elements:

(1) Relatives who qualify for and participate in the relative caregiver program are not required to meet foster care licensing requirements.

(2) Relatives who are caring for children shall receive a special monthly relative caregiver benefit, which shall be in the amount of at least one hundred dollars per child per month. This benefit shall not be available to relatives for the first child placed; the benefit shall be available only for the second child and each subsequent child placed with the relative. The relative caregiver benefit is not intended to supplant any other grant or benefit for which relatives or the children in their care are currently eligible.

(3) Within available funding, the relative caregiver program shall provide relative caregivers with a range of support services designed to assist relatives in parenting the children placed in their care.

(4) Children living with relative caregivers who are receiving assistance under this section shall be eligible for medicaid coverage.

(5) The department may use appropriate available state, federal, and private funds to operate the relative caregiver program.

**-- 2001 REGULAR SESSION --**

Jan 25 First reading, referred to Children & Family Services.

**HB 1398** by Representatives Morris, Barlean, Lovick, O'Brien, Conway, Keiser, Roach, Bush, Simpson, Esser, Rockefeller and Kessler

Enhancing the penalties for retaliatory crimes against law enforcement officers.

Increases the penalties for retaliatory crimes against law enforcement officers.

**HB 1400** by Representatives Romero, Talcott, Quall, Hunt, Keiser, Rockefeller, Linville, Haigh and Schual-Berke

Changing provisions relating to cooperating teachers.

Recognizes the importance of actual classroom experience in the training of new teachers, and therefore intends to provide an incentive to exceptional, experienced teachers to guide student teachers' classroom-based student teaching experiences.

**-- 2001 REGULAR SESSION --**

Jan 25 First reading, referred to Education.

**HB 1401** by Representatives Carrell, Ballasiotes, Lambert, O'Brien, Armstrong, Boldt, Marine, Mulliken, Delvin, Hurst, Talcott, Schindler and Mielke

Penalizing false accusations of child abuse or neglect.

Provides that, if a court, during a judicial proceeding under this title relating to a parenting plan or child custody, finds by a preponderance of the evidence that a person has intentionally made a false allegation of child abuse or neglect or has induced another person to make a false allegation of child abuse or neglect during the judicial proceeding, the court may impose a monetary penalty not to exceed one thousand dollars against the person making or inducing another to make the accusation. The monetary penalty shall be awarded to the person against whom the false allegation is made.

Declares that a person is guilty of a class C felony punishable in accordance with chapter 9A.20 RCW if the person intentionally: (1) Makes a false accusation of child abuse or neglect during a judicial proceeding under this title relating to a parenting plan or child custody, or (2) induces another person to make a false allegation of child abuse or neglect during a judicial proceeding under this title relating to a parenting plan or child custody.

**HB 1403** by Representatives DeBolt, Poulsen, Crouse, Linville, Mielke, Kenney, Van Luven, Cooper, O'Brien, Campbell, Keiser, Roach, Bush, Morell, Berkey, Miloscia, McIntire, Esser, Rockefeller, McDermott and Kessler; by request of Governor Locke

Requiring new energy efficiency measures.

Finds that:

(1) The economy of the state and the health, safety, and welfare of its citizens are threatened by the current energy supply and price instabilities;

(2) Many energy efficiency programs for public buildings launched during the 1970s and 1980s were not maintained during the subsequent sustained period of low energy costs and abundant supply; and

(3) Conservation programs originally established in the 1970s and 1980s can be improved or updated. New programs drawing on recently developed technologies,

including demand-side energy management systems, can materially increase the efficiency of energy use by the public sector.

Declares it is the policy of the state of Washington that:

(1) State government is committed to achieving significant gains in energy efficiency. Conventional conservation programs will be reviewed and updated in light of experience gained since their commencement;

(2) State government must play a leading role in demonstrating updated and new energy efficiency technologies. New programs or measures made possible by technological advances, such as demand-side response measures and energy management systems, shall be treated in the same manner as conventional conservation programs and will be integrated into the state's energy efficiency programs.
